**COVID-19 Notice:** As of October 1, 2021, the Board of Director's will continue to meet via Zoom under the guidelines set forth in AB 361. This will allow the legislative body to meet virtually as meeting in person presents imminent risks to the health or safety of attendees. Those that wish to make a public comment may do so via email, or during the meeting's public comment period. During closed session, members of the public will be placed in a Zoom waiting room until open session reconvenes. Should the Board determine a virtual meeting no longer poses such imminent risk to its attendees, the meeting will be held in person.
